Contract Period: January – December 2021

- i. During a child's placement in Foster Care, the CPA and the foster parent will arrange for, encourage, support and cooperate in assisting the child to maintain contact with his or her biological or adoptive family and siblings through regular visitation and family interaction as required in the court order, permanency plan, or case plan. Visitation Plans must be provided by the ongoing agency implemented by the contractor. The plan will be maintained in the child's case file with documentation related to visits.
- c. The contractor must actively recruit foster parents to meet the needs of children. The contractor will provide plan that details the recruitment activities and how often the events are held and how many new foster parents were licensed.
 - i. With all new licensees, or applicants for foster home licenses, it is the agency's responsibility to make a CPS records check request to DMCPS prior to making any placements to ensure that there is no past license history that would negatively impact the care of the child.
 - ii. The contractor must also continuously recruit for foster parents included respite providers. The contractor must at a minimal accept placement of at least 25 children during the contractual year including 15 adoptive placements or placement will be based upon the capacity of the agency. Nonadoptive treatment foster care contractors will not be held to the expectation of supplying adoption homes if your agency does not provide the service
- d. The Contractor must deliver and engage children in programming that focuses on the needs of children in various stages of social and physical development, addressing such age-appropriate factors as social development, academic achievement, positive recreational activities, essential life skills, choosing healthy relationships, job training and employment skills. This includes:
 - i. The Contractor must make a staff available for placement between the hours of 8:00 am and 5:00pm.
 - ii. The Contractor shall develop an afterhours response to share with DMCPS, the Contracted Ongoing Agencies and PRU to respond to emergencies or after hour placement requests.
 - iii. Providing appropriate support and services, on an as-needed basis, should other presenting problems and/or issues be identified. The Contractor may

be required to address medical/mental health issues, substance abuse issues, runaway behaviors, independent living needs and other high-risk behaviors.

- iv. Providing a continuum of services and expectations to achieve progress in meeting certain qualitative and quantitative indicators related to placement safety, placement stability and physical and dental health. This includes documented collaboration and communication with all providers associated with the child.
 - v. The contractor must provide respite care policy for foster parents when appropriate and planned absences. If the respite request is unplanned the contractor must provide additional follow up to ensure that the child has the proper care and provide additional support if needed.
- e. Children will be protected from potential threats to their safety, whether in or out of the home. The following shall apply:
- i. There shall be no maltreatment by foster parents, foster care agency staff, other children in the home, or others.
 - ii. The use of physical restraints and corporal punishment is prohibited.
 - iii. All foster parents will sign an agreement to not use corporal punishment on children.
 - iv. Training on discipline, which excludes the use of physical discipline and corporal punishment, shall be provided to all foster parents and staff.
 - v. Internal staff will be responsible for reporting on allegations of abuse and neglect in foster homes as stipulated in Section IV of this document.
- f. There shall be appropriate adult supervision and nurturing and effective engagement of children. No child may be left unsupervised under 10 years of age. Age-appropriate children shall participate in crisis stabilization and planning. Youth 14 and older must take part in their own planning and goal setting.
- g. Age-appropriate children shall take part in aftercare, transitional and permanency planning. Youth 14 and older need to take part in their own planning and goal setting.

- h. Well-being is defined as providing prompt care, support and encouragement to the child as s/he develops while in out-of-home care placement. This necessitates programming that will meet the diverse and specific developmental needs of the child in care, including appropriate educational, medical, behavioral and dental care support.
- i. The Contractor's workforce should be culturally competent and able to support the foster parent and children in their diverse cultural and lifestyle backgrounds.
 - i. The foster parent must be culturally competent to support the unique needs of the child. Ongoing training must be provided on trauma, attachment, grief and loss, cultural diversity, discipline and parenting of foster children and independent living skills.
 - ii. The foster parent shall use the reasonable and prudent parent standard in decision making as related to an activity of child in their care related to health and safety, extracurricular, social, and age appropriate development activities that are in the best interest of the child including cultural, religious and tribal values.
 - iii. The contractor must actively recruit new foster parents to meet the diverse background and needs of the population served.
- j. The Contractor must ensure that there is proper supervision, support and direction appropriate to the child's needs and exhibited behaviors.
- k. The Contractor must address the changing needs of a child including an increase in high risk behaviors. Foster parents should attend all staffing related to the increase or change in the child's behavior, discipline of foster children and Independent living skills.
- l. The Contractor/foster parent must provide transportation to and from school and other community-related activities. If foster parents are not able to transport child(ren) the contractor must make alternate transport plan and document, why the foster parent is not able to transport.
- m. The Contractor/foster parent must ensure that transportation is provided to and from all medical/mental health/dental appointments. If the foster parents have changes in their work or job schedule and those changes have an impact on the ability of the foster parent to provide care for the youth in their care, the

contractor should reassess the foster parents' ability to care for the child, if temporary provide them with additional support to the foster parent.

2. Special Consideration in Placement of Level 1-2 Children, Siblings and Children of Minor Parents in Level 3-4 Foster Homes:

- a. Whenever possible, it is DMCPS's goal to keep siblings and children of minor parents together while in care. In those circumstances when this cannot occur in a Level 1-2 foster home, DMCPS may request that a Level 1-2 sibling or a Level 1-2 child of a Level 3-4 minor parent be placed in a Level 3-4 foster home under exceptional circumstances and only when the best interests of all of the children warrant such an arrangement.
- b. If the placement is a Level 1-2 foster care placement for a child or a sibling of a Level 3-4 child, DMCPS will make a foster care payment, the amount to be determined accordance with the Wisconsin Uniform Foster Care Rate. DMCPS will make an additional Administrative Fee payment to the Agency for the Level 1-2 foster child the amount of \$330.00 per month (or per WI policy and guidelines) effective on the date of placement.
- c. If a child of a minor parent placed in a Level 3-4 foster home is under a Milwaukee County Child in Need of Protection or Services (CHIPS) order, the program manager or supervisor may authorize a Higher Level of Care (HLOC) for placement of that child as a level 1-2 or a level 3-4 foster care placement.
- d. If the child of the teen parent is a Level 3-4 placement, DMCPS will treat the placement as a separate placement and will pay the full Level 3-4 rate which includes the administrative rate as set forth on the Uniform Foster Care Rate Schedule.
- e. If the child of the minor parent is not on a Milwaukee County Child in Need of Protection or Services (CHIPS) order, DMCPS will not pay an additional administrative fee. DMCPS will, however, increase the teen parent's foster care rate (exceptional rate) by the basic foster care rate of the child.

3. Alleged Child Maltreatment While in Placement

- a. The DMCPS and its partner agencies will support a child protection system that is a comprehensive, child centered, family-focused and community-based; incorporates all appropriate measures to prevent the occurrence or recurrence of

child abuse and neglect; and promotes physical and psychological recovery and social re-integration in an environment that fosters the health, safety, self-respect and dignity of the child.

- b. All individuals, including professional staff and foster parents, should be knowledgeable with regard to child abuse and neglect prevention, intervention and treatment while being cognizant of ethnic or racial minorities and diverse geographic areas within the community.
- c. Child Placing Agencies need to provide training to agency staff with regard to the prevention of maltreatment while a child is in their care. Agency staff training must include:
 - i. Training in order to recognize alleged abuse or neglect by a foster parent may have occurred and know the reporting process.
 - ii. Training detailing the legal duties of such personnel and their responsibilities to protect the legal rights of the child.
 - iii. Training detailing protocols for staff regarding mandated reporting of child abuse or neglect.
 - iv. Training detailing situations of substance abuse, domestic violence, and neglect.
 - v. Training regarding the confidentiality of all records in order to protect the rights of the child and the child's parents or guardians and the foster parents.
 - vi. Training detailing the reporting of medical neglect (including instances of withholding of medically indicated treatment from disabled infants with life- threatening conditions), procedures or programs, or both to provide for the:
 - 1. Coordination and consultation with individuals designated by and within appropriate health-care facilities;
 - 2. Prompt notification by individuals designated by and within appropriate healthcare facilities of cases of suspected medical neglect (including instances of withholding of medically indicated treatment from disabled infants with life-threatening conditions);

3. Authority, under State law, for the State child protective services system to pursue any legal remedies, including the authority to initiate legal proceedings in a court of competent jurisdiction, as may be necessary to prevent the withholding of medically indicated treatment from disabled infants with life threatening conditions.
 - d. The Contractor must have procedures in place outlining the immediate steps to be taken to ensure and protect the safety of the abused or neglected child and of any other child under the same care who may also be in danger of abuse or neglect and ensuring their placement in a safe environment.
 - e. The Contractor must continually improve the skills and qualifications of the direct line and supervisory staff providing services to foster families and children.
 - f. All confidential records shall be made available to individuals who are the subject of the report; Federal, State or local government entities, or any agent of such entities; child abuse citizen review panels; child fatality review panels; a grand jury or court, upon a finding that information in the record is necessary for the determination of an issue before the court or grand jury; and other entities or classes of individuals statutorily authorized by the State to receive such information pursuant to a legitimate State purpose.
- 4. Additional Reporting Requirements Related to Maltreatment and Serious incident reporting in a Foster Home.**
- a. The staff member upon learning of alleged maltreatment occurring in a foster home will immediately call the child protective services agency for their county. Milwaukee County, this would be the DMCPS Access line (414-220-SAFE).
 - b. The staff member making the referral will provide any CPS worker or law enforcement involved in the investigation any and all available written information that may provide further detail or clarify the allegation.
 - c. The Contractor and foster family are expected to fully cooperate with the DMCPS and any other contract agencies regarding any report of alleged maltreatment of a foster child while in care. Children's placements are to be changed only by the appropriate Ongoing or Initial Assessment staff.

Exhibit 1: Scope of Service

Contract Period: January – December 2021

- ii. The Contractor will develop, and will submit for DMCPS approval, a plan that details how child abuse and neglect will be addressed.

5. Agency Support to Foster Homes

- a. The Contractor will increase the professional support and contact with a foster parent to develop, operate, expand and enhance community-based and prevention-focused programs and activities designed to strengthen and support families to prevent child abuse and neglect (through networks where appropriate) that are accessible, effective, culturally appropriate, and build on existing strengths that:
 - i. Offer support and assistance to families;
 - ii. Provide early, comprehensive support for parents;
 - iii. Provide additional supports for foster parent that are licensed less than one year;

- iv. Assess and support the changing needs of foster parents
 - v. Promote the development of parenting skills, especially in young parents and parents with very young children;
 - vi. Increase family stability;
 - vii. Improve family access to other formal and informal resources and provide opportunities for assistance available within communities; and
 - viii. Support the additional needs of families with children with disabilities through respite care and other services.
- b. The Contractor will demonstrate a commitment to meaningful parent leadership, including among parents of children with disabilities, parents with disabilities, racial and ethnic minorities, and members of other underrepresented or underserved groups.
- c. The Contractor will coordinate with DMCPS to access Division-sponsored training.
- d. The Contractor will inform and educate their caregivers regarding the utilization of the Children's Mobile Crisis Unit CMC-FF program. The availability of CMC services does not absolve the agencies of their Chapter 56 requirements; it is intended to be utilized as an additional support for foster parents when other methods of de-escalating a crisis situation or preventing repeat crises fail.

6. Standards of Work

- i. The Contractor agrees that it shall perform all the services required under this Contract in a professional manner and adhere to the practice standards and protocols found in sound child protective services casework and decision-making and as specified in the Contract and as further specified during the Contract period by the Department in written Policies and Procedures.
- ii. The Contractor shall be responsible for the management, accuracy, integrity and validity of child(ren) documentation.

7. Performance Standards and Accountability

- a. The Contractor shall perform all services consistent with the documents constituting this Contract. The Department will develop performance standards regarding permanence, safety and child well-being that will include program outcomes, activity and qualitative indicators for which the Contractor will be expected to meet or achieve reasonable progress toward meeting. Outcome performance standards will be monitored monthly and reported every six months

Exhibit 1: Scope of Service

Contract Period: January – December 2021

by the Department. Quality performance standards will be evaluated and reported by the Department through periodic reviews. The Contractor's performance as measured against these standards will be a factor in determining if the Contract will be renewed.

- b. At a minimum, the Department may discuss at quarterly TFC meetings, or as otherwise necessary, the current status of outcomes and issues related to the administration or delivery of services under this Contract. It is expected that all Contractors will be actively engaged in this process and will work collaboratively to identify areas in need of improvement and to propose solutions. Corrective action, or any other remedies available to the State under this Contract, may be needed for failure to comply with the provisions of this Contract, including failure to follow DMCPS policies and procedures, the, Jeanine Settlement Agreement and its associated corrective action plan, and the federal Child and Family Service Review's Program Improvement Plan (PEP).
 - c. If the Department determines that a corrective action plan is necessary, the Contractor will develop a plan and obtain the Department's approval of that plan. The Department will monitor the Contractor's compliance with the plan, according to the plan's timeframes for correction. If the Department determines that the Contractor is in non-compliance with the plan, the Department may withhold payments and/or may consider such failure to constitute a material breach and terminate the Contract.
- 8. Compliance with DMCPS Required Meetings**
- Contractors are encouraged to attend all program and contract meetings convened by DMCPS. If attendance is not possible, the Contractor must notify the assigned DMCPS staff prior to the meeting of the agency's inability to attend.
- 9. Overpayments**
- i. The Contractor shall refund any payments that were made that the Department determines, after notice to the Contractor and opportunity to respond, exceeded allowable costs or were otherwise not payable under this Contract.
 - ii. To effect repayment, the Contractor shall work with DMCPS's contracted agencies for ongoing case management.
 - I. The Contractor shall be responsible for repayment to the Department overpayments related to the administrative payments.

Exhibit 1: Scope of Service

DMCPS Contract Program Requirements for the Provision of Foster Care Services

Contract Period: January – December 2021

- a. The Contractor shall refund the overpayments to the contracted ongoing case management agency within 30 days of notice or the Department may, at its sole discretion, withhold money otherwise due the Contractor under this Contract including, but not limited to, deduction of the overpayment amount from any subsequent monthly reimbursements. The Department may also recover the excess funds by any other legal means including, but not limited to, enforcement of the liquidated damages provision as articulated in the Contract General Terms and Conditions.
